Dear Paul:

On behalf of everyone at the Children's Health Fund (CHF), thank you for your gift of \$510 in support of our 25th Anniversary Benefit. It truly was an amazing evening, bringing together artists, community and business leaders, doctors, and so many caring people who want to help kids.

With many children and families living in poverty, and in great need of accessible health care, your gift will continue to help CHF provide the care our nation's children deserve and need to reach their full potential.

Children's Health Fund is proud to celebrate 25 years of providing vital health care to children and families across the country. This milestone anniversary gave us the wonderful opportunity to not only showcase our work, our amazing patients, and recognize the leaders who make it all possible, but also allowed us to raise awareness around the needs of millions of vulnerable kids in America who deserve quality health care.

Thank you, again, for generously supporting our efforts.

Sincerely,

A handwritten signature in black ink that reads "Rachel Y. Hanser".
