Dear Oliveri & Schwartz, P.C.,

Please accept my heartfelt thanks for your generous gift of \$50! Your support of our Hurricane Relief work in the aftermath of Hurricane Sandy is sincerely appreciated.

Your contribution will greatly assist us with providing much needed food, support, and services to the thousands of residents who have been impacted by Hurricane Sandy, in addition to ensuring that we are able to continue our regular hunger relief work on behalf of the nearly 300,000 residents of Long Island who struggle with hunger each and every day.

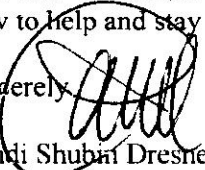

As the Hurricane hit on Monday, October 29th, we deployed our staff and began working directly with government officials, first responders, and local relief agencies to distribute water, supplies and nonperishable food. Since then, we have distributed well over a million and a half pounds of product to people who were hit hard by the Hurricane and storm that followed. We are glad to have been able to support this effort and continue our regular hunger relief work to aid people who have long been struggling with food insecurity here on Long Island.

Thanks to your support, we will be able to continue to help the many residents whose lives have been uprooted indefinitely. We can't thank you enough for your considerate gift, and hope that we can count on your continued support!

The holiday season this year will be especially meaningful, as we celebrate the resilience of our community, and the good will of neighbors helping neighbors.

Thank you so much again for your generous support. Let me extend a warm invitation to call or visit us at your convenience, to see our work in action. Please visit our web site www.islandharvest.org for ideas on how to help and stay involved.

Sincerely,

Randi Shubin Dresner
