Re: Budget & Legislative 2012 Issues

Dear Mr. Oliveri:

Thank you for your recent visit to my Albany office. The policies of state government can have a profound impact on businesses, families and the lives of individuals. Meetings like this are very helpful to me as I try to monitor the workings of the State, and to develop policies that better respond to the needs of our citizens. By taking the time to speak with me and share your views, you have already played an important part in this process.

If there are other issues you would like to address, please do not hesitate to call or write. Thank you again for your visit.

Very truly yours,
