September 2012

Dear Friend,

It is with great pleasure that we send you the enclosed JBI Annual Report. As someone who plays an important role in all that JBI does, you will be proud to learn of the accomplishments your support made possible in 2011.

At the same time, in this season of renewal, it is vital that we all look to the year ahead. Especially in these difficult times, the continuing commitment of friends like you who genuinely understand JBI's mission is so very meaningful. JBI fills an essential niche in our communal landscape. *Only* JBI provides the unique tools needed by blind and visually impaired individuals to access the written word and participate fully in Jewish educational, cultural and communal life.

On behalf of the thousands of blind and visually impaired men, women and children whose lives you have touched with your support of JBI, we thank you. And from our family to yours, best wishes for a happy and sweet New Year. Shanah Tovah.

Sincerely,

Judy E. Tenney
