Paul F. Oliveri  
48 Rowe Avenue  
Lynbrook, NY 11563

Dear Mr. Oliveri:

*"Beyond the surface of exotic travel, meeting a glamorous celebrity, or acquiring a prized possession, the lasting power of making a wish and seeing it come true is medicine for the soul."*

These are the words of one of our wish moms whose child's life has been forever changed in ways that not even the world's finest doctors could achieve. When you grant a wish, you also grant the wish behind the wish.

Thank you so much for your outstanding support of our Annual Gala, *An Evening of Wishes*, on June 14, 2012. Your gift will help to grant more than one hundred and fifty wishes during the summer months, our busiest wish-granting time of the year.

Through the outpouring of support for our honoree, Jennifer Wilson-Buttigieg, Co-President and Co-Owner of Valerie Wilson Travel, Inc. and Make-A-Wish® Board member, we can look forward to continuing our proud tradition of granting the wishes of all eligible children in our area. On their behalf, we express our gratitude for your contribution.

Best wishes,

Gail Monaco  
Director, Major Gifts
