Dear Oliveri,

Employees have a right to a safe and healthy workplace. Employers also benefit by helping prevent on-the-job injuries. Working together, we can continue the recent trend in America toward a safer workplace. Check out these helpful tips and resources.

Is Your Job One of America's Most Dangerous?

Vigilance Key to Safer Workplaces

Reality cable shows like *Deadliest Catch* and *Ax Men* thrill millions of viewers with an inside look at the two most dangerous jobs in America: logging and commercial fishing.

But you don't have to get tangled in a runaway fishing net or whacked by a falling tree to get hurt on the job. Every day, 12 Americans go to work and never come home. Every year, nearly 3 million more suffer debilitating injuries. Employee or employer, **you should know** how to prevent workplace injuries.

BY THE NUMBERS /

#1 Deadliest

Logging was America's most deadly job in 2012 at 127.8 deaths per 100,000 workers compared to 3.2 per 100,000 workers for all occupations.

3 Million Injuries

There were nearly 3 million on-the-job injuries in 2012, or 3.4 per 100 workers. Another 4,383 Americans died while working.

Source: [Occupational Injuries and Illnesses, Bureau of Labor Statistics](#)

2 of 5 On the Road

Transportation incidents are typically the leading cause of workplace injuries, accounting for two of every five work fatalities in 2012.
