## 2020 Halloween Safety Precautions Also Include COVID-19

In addition to the regular precautions we take every year to protect kids on Halloween, this year we need to add COVID-19 to the list. Recommendations from the CDC include:

- \* Wearing a mask when answering the door
- \* Offering individually wrapped treats
- \* Using tongs to hand out candy rather than letting several kids reach into the bowl at once
- \* Washing hands after every visit and keeping hand sanitizer close by the door

## Can Americans Seek Justice for Losses from Climate Change?

America's civil justice system is the great equalizer for the average citizen. Time and again, individuals have held powerful corporations, wealthy special interests and failed government watchdogs accountable in a court of law for endangering the public. Think big tobacco and cancer, pharmaceutical giants and opioids, major carmakers and defective vehicles, just to name a few. Now some ask, "Can we hold wrongdoers accountable for the worsening death and destruction caused by man-made climate change?"

## CLIMATE CHANGE AND PANDEMICS

As ecosystems are disrupted by climate change, the potential grows for viruses that originate in animals and transfer to humans – just like the novel coronavirus.
